Where comfort meets convenience

RESIDENTIAL PRINTING INFRASTRUCTURE - 2026

DoPrint
PRINT WHAT YOU NEED
ANYTIME

Quick Easy Safe Secure

A BETTER EVERYDAY AMENITY

Useful from homework to holidays.

DoPrint gives residents a simple way to print without leaving the community - while the society gets a dependable service without operating a print counter.

Resident convenience

Print schoolwork, forms, health reports, travel documents, tickets and photos close to home.

No dedicated staff

The complete self-service journey runs through a QR code or web link.

Fully managed

Hardware, paper, ink, maintenance and user support are handled by DoPrint.

Privacy & Security

Encrypted transfer and permanent file deletion immediately after printing.

Designed for everyday community life.

RIGHT FORMAT, RIGHT PLACE

A kiosk for every community.

We recommend the kiosk footprint and service model after reviewing expected usage, available space, access hours and placement.

RECOMMENDED FOR SOCIETIES

Residential Kiosk 3

- Compact premium format for clubhouses and reception areas
- Colour and Black & White printing
- Reliable plain-paper printing for everyday resident needs
- Integrated QR instructions and collection point
- Secure, cashless and available 24x7

FOR LARGER COMMUNITIES

Compact Kiosk

- High-capacity floor-standing format for busier locations
- Colour and Black & White printing
- Larger paper capacity for higher monthly volumes
- Guided self-service journey with secure payments
- Designed to run unattended around the clock

Your society provides the space.

DoPrint handles the kiosk hardware, paper, ink, cloud workflow, preventive maintenance, replenishment and user support.

DoPrint manages

Hardware · Consumables · Maintenance · Cloud platform · User support

The society provides

Suitable placement · Electricity · Internet · Launch communication · Local contact

Every deployment includes: kiosk hardware, paper, ink, maintenance, cloud platform and user support managed by DoPrint. The society provides only electricity and internet.

No hardware purchase

DoPrint deploys and manages the kiosk infrastructure.

Resident privacy first

Uploaded files are permanently deleted immediately after printing.

Operational visibility

Cashless workflow, usage tracking and managed replenishment.

THE DOPRINT NETWORK

From campus corridors to community clubhouses.

DoPrint is available across residential communities, campuses and high-footfall venues.

PRIVACY FIRST, ALWAYS

Resident files are never stored.

Every uploaded document is permanently deleted immediately after printing - no retained copies, backups or document history.

STARTUP INDIA REGISTERED

Pioneers of self-service printing in India.

DoPrint helped introduce convenient, secure and fully managed self-printing infrastructure for communities and campuses across India.
